Sir,

In continuation of previous correspondence regarding the pressing necessity for providing accommodation to the Police Force in the City of Mysore, I have the honor to state that I understand that the old Taluk Cutcherry building which is in the heart of the City and close to the Central Police Station and so admirably suited for Police purposes has just been ordered to be sold by public auction.

2. The Office of the Assistant Superintendent of Police of the City is now being held in a small room on the second floor of the Central Police Station, in which are heaped up masses of records and stores, with chairs, tables and desks of the Office staff, among whom also the Assistant Superintendent has been obliged to find a seat for himself, for the last two years, with the result that the heavy congestion has shut off free flow of light and air and rendered the place terribly hot and inconvenient for the staff to work therein. We have recentl acquired a small house behind the Station, which has to be converted into a kitchen for the Police prisoners, who, it will

(b

be astonishing to observe, are now being catered, for want of kitchen arrangements, by the hotels, against all disciplinary ideas.

3. The old Taluk Cutcherry building, from its situation and close proximity to the Central Station, will form an excellent annex and be best fitted for the Office of the Assistant Superintendent of Police and for the Stores of the City Force which have to be under him. A new building for such an office costs between 10 to 12 thousand rupees, and with no prospect of immediately constructing the same, nor with any eligible locality available therefor. I request that this old Taluk Cutcherry building instead of being sold, may be placed at the disposal of the Police Department for the said purpose, the only additions and alterations needed thereto being opening out of a few more windows and ventilators and rendering the surroundings tidy and sanitary, which can be effected at a comparatively small cost.

4. As I have already submitted, the Police requirements in the Capital are numerous and indispensible for the safety of the expanding city, and it will not be too much to say that all available accommodation will have to be reserved and taken up for the protective Police requirements as demand arise.

5. As the matter is urgent and pressing, I request that you may be so good as to obtain the very early orders of Government to my proposals.

I have the honor to be,

sir,

Your most obedient servant,

C. Sankaranarayanan

Inspector General of Police.
